DONATION RECEIPT

Receipt Number P-486865-51161

Dear Sowndra Palanisamy

What an amazing thing you have done!

The team from Kids Day Out Variety Show and Heart Kid NZ wish to sincerely thank you and/or your business for your tremendous support of the Kids Day Out Variety Show. What a difference it will make to the children and families in your community.

Through your contribution of [REDACTED] to Heart Kids NZ, you have become a hero to our many children and families around New Zealand; children in need like Aria and her family. Aria had her first major open-heart surgery just days after she was born. She had three more before she turned one and throughout her journey, Heart Kids NZ walked alongside Aria and her family.

"To look back on what we went through in eight months, it was really difficult," Falcon, Aria's mum says. "But you just keep going. Fight it and see what happens. Heart Kids NZ helped us from the start. Someone was always there, to give us some support and help us through that day or week. I will always be grateful for Heart Kids NZ, I don't know what we would have done without them."

Your kindness and generous support directly impacts the lives and wellbeing of families throughout New Zealand. Like Aria and her family, there are many kiwis facing the enormous challenge of coping with a childhood heart condition. Thank you for helping us to help them, the contribution you have made truly does changes lives.

Kind regards,

David Pimblott
CEO
Heart Kids NZ
